WATER**

Why Juicero?

Flavor

Our 100% raw Produce Packs make nutrient-dense juice that is mind-blowingly delicious.

Food Safety

All Juicero Presses are Wifi-connected and equipped with sensors to ensure food quality.

Data & Insight

Track total Pack consumption for every Press to custom order what you actually consume.

Customer Service

Our smart system monitors Press performance so maintenance issues are actively managed.

Juicero Empowers your Business

Expand your Offerings

Juicero empowers you to play in a hot, fast growth category, attracting new clients and capturing more share of wallet from existing clients.

Get a Turnkey Solution

With our integrated Cold Press and Produce Packs, you won't have to worry about operational overhead, labor costs, or hassles related to food service and cleanup. You can even open the pack and use the produce in your kitchen.

Experience Higher Revenue

Our top quality juice commands a premium price—since your investment is minimal, more profits flow to your bottom line.

Get Healthier Results

Support healthy lifestyle goals by creating a culture of wellness at your business. Juicero is a desirable perk that's guaranteed to keep everyone healthy, happy, and productive.
